

Learning Analytics Summer Institute (LASI)

The Learning Analytics Summer Institute is a strategic event, co-organized by SoLAR and host institutions. In parallel, a global network of LASI-Locals run their own institutes.

2020 Learning Analytics Summer Institute

June 8-10, 2020

Teachers College Columbia University, New York, NY, USA

[Workshops & Tutorials](#) | [Registration](#) | [Student Scholarships](#) | [Schedule](#) | [Accommodations](#) |

The 2020 Learning Analytics Summer Institute (LASI20) will be co-hosted by Teachers College Columbia University and New York University. The event will take place on the Teachers College Columbia University campus. This year LASI participants will be able to choose two tutorials and two immersive workshops. Please review the links above to view the workshops and tutorials that are available.

LASI20 is open for SoLAR members only, so please join or renew your [SoLAR membership](#) prior to registering for LASI20. Click [here](#) to become a SoLAR Member to attend, as well as receive other year-round benefits.

Please note that, as in previous years, a limited number of travel scholarships are available for students in good standing within their program through the [Erik Duval SoLAR Travel Scholarship](#). The deadline for application is March 31, 2020.

Activity

- Collect some data on the people in your group (any data of your choice!)
- Draw your
- Visualize that data in R
- Create a Shiny dashboard that adds interactivity to your visualization
